Applicants have taken the steps necessary to correct the identified errors in both the computer-readable Sequence Listing and in the corrected paper copy of the Sequence Listing that are being concurrently submitted herewith. The Examiner is respectfully requested to enter the corrected Sequence Listing into the record of the patent application.

The corrections are formal in nature, and thus no new matter has been added to the sequence listing or the application by any of the requested corrections.

The undersigned hereby verifies that the information recorded in computer readable form submitted herewith is identical to the written sequence listing submitted herewith.

#### CONCLUSION

The application is considered in good and proper form for allowance, and the Examiner is respectfully requested to pass this application to issue. If, in the opinion of the Examiner, a telephone conference would expedite the prosecution of the subject application, the Examiner is invited to call the undersigned agent.

Respectfully submitted,
